The Life (Poem)

Slug Of A Revolver™

Slug Of A Revolver

As a narrator I should narrate some things which make my story more interesting. Slug of a Revolver is quite tough to understand though all words are in English. I really don't know how to start this story, but if I start no one can stop me. At 2:00 am sitting at balcony and looking at clear sky and having a cup of coffee in my left hand and a ballpoint pen in my other hand with some notes to both narrate and write. I still don't know how to start this story and I still have 2 books to complete but I don't know why I am sitting with this. Okay let's go, where? To my story.

28th December 2000, 8:00 am.

Clarke home.

(Phone bell rings) Hello sir, are you free. Why John? A new inspector was appointed to our station sir. So that? He is willing to know about you and the last case you handled. Suddenly Stephanie shouted and came inside my car, said me to drive that was my first trip. When I dropped her at Lightning Street, another man stopped my car and asked me again to leave him at Elora Street. Maximum it takes me to drive atleast 50 minutes from Lightning Street to Elora Street.

He came at 2:10 am and said me to leave him at Elora Street before 3:00 am. Already I was getting tensed much when I saw Stephanie at Elora Street. He said I can give more than you ask. Finally he stopped with 50,000. So I said okay and left him at Elora Street and he gave me a check of 100,000. Also I hear a slug sound there. But I can't see anything because it was raining outside. This incident happened there I don't know anything else. Do you know how he was looking? It was raining outside I can't see his face but I know his number.

Okay cool Shyam it's going to be more interesting. Can I start first Clarke? Yes and your first chance has been finished Shyam no it's my turn.

- 1. How many of them were killed by you? My plan was to kill only 7.**
- 2. How did you find me for the first time? By the taxi number. Where are they? Give me a paper. *(He wrote some temperature of some places)***
- 3. Are you thinking you a brilliant one? May be we are brilliant. What was the reason behind your kill?**

Do you read Bible? According to Roman Catholic Theology, the seven deadly sins are the seven behaviour of feeling that inspire further sin. They are named as

- Pride
- Greed
- Lust
- Envy
- Gluttony
- Wrath
- Sloth

The meaning of them were

Lust or lechery is intense longing. It is usually thought of as intense or unbridled sexual desire, which may lead to fornication (including adultery), rape, bestiality and other sinful sexual acts.

Gluttony is the overindulgence and overconsumption of anything to the point of waste. The word derives from the Latin *gluttire*, to gulp down or swallow. One reason for its condemnation is that gorging by the prosperous may leave the needy hungry.

Greed is an inordinate desire to acquire or possess more than one needs, especially with respect to material wealth. Like pride, it can lead to not just some, but all evil.

Sloth refers to a peculiar jumble of notions, dating from antiquity and including mental, spiritual, pathological, and physical states. It may be defined as absence of interest or habitual disinclination to exertion

Wrath can be defined as uncontrolled feelings of anger, rage, and even hatred. Wrath often reveals itself in the wish to seek vengeance. In its purest form, wrath presents with injury, violence, and hate that may provoke feuds that can go on for centuries. Wrath may persist long after the person who did another a grievous wrong is dead.

Envy is like greed and lust, is characterized by an insatiable desire. It can be described as a sad or resentful covetousness towards the traits or possessions of someone else. It arises from vainglory and severs a man from his neighbour

Pride is considered, on almost every list, the original and most serious of the seven deadly sins. Out of the seven, it is the most angelical, or demonic. It is also thought to be the source of the other capital sins. Also known as hubris, or futility, it is identified as dangerously corrupt selfishness, the putting of one's own desires, urges, wants, and whims before the welfare of other people.

According to that I killed 7 members.
Oh, brilliant.

4. **What are their names? Emma Lynch, Mary, Michael, Johnny Drip, Daniel, Charley and Stephen. Can you escape from me? Yes, of course.**
5. **Did you kill Stephen at Elora Street? Yes with sniper.**

Your guys are really cool, I never forget you guys. ***(Shyam took the gun and shooted himself)***

Hey take this paper and search for the remaining deaths and also call the ambulance.

Steve come with me and constable there was a lady sitting here right inform that her daughter was killed.

(Steve and Clarke was driving at 110 km/h in search of a person)

Clarke is that he? Yes, Steve follow him. ***(While following, a lorry came and crashed the car travelling by Steve and Clarke)***

3rd March 1995,

Hospital,

How are you Clarke? I am fine commissioner. Sorry Clarke your leg is no more. It's okay commissioner what about that case? The case is still not solved. Oh s***! Everything is trash right? Okay sir give me long break.

28th December 2000

8:00 am

I can't understand sir, if John killed Allen, Shyam killed Stephen but who killed the last one?

It was Naiker, I know you still can't understand. John killed Allen, Stephen killed Naiker and Shyam killed Stephen. Yeah I am clear with this but Shyam killed 6 members right who are they. According to Roman Catholic Theology the seven sins he killed. Okay and the last when you were travelling with Steve whom did you saw while chasing the lorry. I am happy Steve you finally asked this doubt. Oh you are brilliant Clarke you found me. What happened to your face Steve? Hey shut your mouth Clarke just answer me what I asked.

(Steve took the revolver and pointed at Clarke) If you are not saying me the truth I will kill you. After all you are the one who is going to kill me. The seven people were not killed by Shyam they was killed by the one who was in car. ***(Clarke took the revolver and shooted himself)***

FINALLY A SLUG PASSED THROUGH DIFFERENT MEMBERS AND IT IS FINALLY STOPPED TEMPORARILY BUT THE TRUTH WILL BE CONTINUED.....
